SUPPORTERS' COVID CODE OF CONDUCT (CERTIFICATION)

Barnsley Football Club (the "Club") is committed to, as far as possible, ensuring the health and safety of spectators and to provide as safe an environment as possible. In order to achieve this, all spectators must always behave in a safe and responsible manner. By purchasing a match ticket or applying for a seasonal member's access ticket you are agreeing to comply with the Barnsley FC COVID-19 Spectator Code of Conduct.

This Code of Conduct acts to principally guide and advise ticket holders of the protocols in place ahead of and during the matchday event. The Club has put in place a range of processes to help create an enjoyable environment for all supporters at our matches, however it is vitally important that all attendees understand and adhere to this Code of Conduct at all times, and follow all safety requirements, to assist Club staff and stewards, and to help protect you and your fellow fans.

However, it is impossible for the Club to completely eliminate the risk of COVID-19. Therefore, if you are not willing to comply with this code of conduct or based on your own health status you feel uncomfortable with the risk, you should not attend a match at Oakwell.

ANY BREACH OF THIS SPECTATOR COVID-19 CODE OF CONDUCT MAY RESULT IN YOUR SEASONAL MEMBERSHIP BEING CANCELLED, WITHOUT RECOMPENSE AND/OR FUTURE SANCTIONS INCLUDING A STADIUM BAN.

From 15 December the Government has declared it is a legal requirement for all supporters attending fixtures at Oakwell Stadium to produce evidence of COVID Certification. The legislation states that anyone attending unseated indoor events with 500 or more attendees, unseated outdoor events with 4,000 or more attendees and any event with 10,000 or more attendees, must present an NHS COVID pass (regardless of vaccination status). This code of conduct has been updated to reflect the changes.

- Supporters will not be permitted entry to Oakwell Stadium on matchday without valid COVID-19 certification, so please ensure you will be able to prove your COVID-19 status prior to departing for the match.
- A valid COVID Pass is deemed to be a digital NHS COVID pass, a paper NHS COVID pass, or proof of a recent negative Lateral Flow Test result. It is each supporter's responsibility to acquire the necessary COVID Pass.
- Supporters utilising a digital NHS COVID Pass should both utilise the app and download a copy to their smartphone's wallet or photo reel (should there be no phone signal), and print a physical copy, to avoid any problems.
- Supporters using a paper NHS COVID Pass must produce the original printed copy on the day of the fixture (a photo/photocopy will not be accepted).
- The Government has determined that proof of a negative lateral flow test will also be accepted as certification. This should be taken within 72 hours of kick off to prove their Covid-19 status.
