

BARNSELY FOOTBALL CLUB
OAKWELL STADIUM
BAG CHECK POLICY

Bags will be searched at every match and we advise supporters to arrive early to avoid any unnecessary queues at the turnstiles.

Whilst we will do everything to get supporters into the stadium as quickly as possible, we will not compromise standards with our searching policies, therefore we strongly advise that you arrive early.

Bags will only be allowed into the stadium that are no bigger than 35cm x 20cm x 20cm. This will assist our stewards to search people quicker, thus reducing any queues at the turnstiles. Unless it is absolutely necessary, please leave bags at home.

Prohibited items include, but are not limited to, purses larger than a clutch bag, coolers, briefcases, backpacks and luggage of any kind.

Supporters will see bags being tagged by stewards and this will remain the case. Once your bag has been tagged DO NOT remove that tag until you have left the ground.

There are no exceptions to this policy, unless for medical equipment, and we request that you get permission in advance in this case. If this applies to you, please contact us ahead of the match/event day by calling 01226 211211 or emailing reception@barnsleyfc.co.uk and we will be happy to make necessary arrangements.

We appreciate your support and co-operation as we continue to make Oakwell a safe and welcoming environment for all to enjoy an amazing matchday experience.
